AMSAA Visitor's Guide

Welcome to AMSAA at Aberdeen Proving Ground!

AMSAA conducts analyses across the Materiel Life Cycle to inform critical decisions for current and future Soldier needs, and is recognized as the authoritative source for responsive, independent analyses providing the foundation for current and future decisions throughout the Materiel Life Cycle.

US Army Materiel Systems Analysis Activity
392 Hopkins Road
APG, MD 21005-5071

Directions to APG

To the Maryland Blvd (MD-715) Gate & APG Visitor Center - Open 24/7

From Baltimore: Take I-95 North to Exit 80, right on MD-543 South for 1.5 miles, right on US-40 East for 3 miles, right on MD-715 East for 1 mile to APG

From Delaware: Take I-95 South to Exit 85, left on MD-22 East for 2 miles, right on US-40 West for 2 miles, right on MD-715 East for 1 mile to APG

To the Harford Blvd (MD-22) Gate

Open Weekdays 0500-1900 (less holidays)

From Baltimore: Take I-95 North to Exit 85, right on MD-22 East for 3 miles to APG

From Delaware: Take I-95 South to Exit 85, left onto MD-22 East for 3 miles to APG

Access to APG

Visitors **WITH** a Government ID can enter APG using either the MD-22 or the MD-715 Gate. Show the guard your ID as you enter.

Visitors **WITHOUT** a Government ID must enter APG using the MD-715 Gate. These visitors will need to sign in each day at the Visitor Center, located off MD-715. They must then backtrack to MD-715 and continue towards the gate. To obtain a vehicle security pass, provide driver's license, vehicle registration, and proof of insurance.

Visitors **WITHOUT** a Government ID in the same vehicle as a visitor **WITH** a Government ID can enter at either gate with a valid photo ID.

Observe the speed limit.
